Gravity

App Controlled, Automatic Thrusting & Vibrating Dildo

Meet Gravity - our new remote control thrusting and vibrating dildo. Thanks to its strong suction cup, it turns any smooth surface into your sex partner in seconds, and no matter the angle or the position you prefer, Gravity will adapt and give you the perfect solo play experience, or have Gravity as a special guest to fulfil any threesome fantasies you have with your partner.

Gravity Features

Dual Sensations

Vibration motor located at the tip & up to 140 strokes/min, 3 cm (1.18 in) stroke length.

Hands-free

Strong suction cup enables hands-free use by attaching it to smooth surfaces.

Super Powerful & Lasting

Each motor provides intense sensations that will lead to orgasms multiple times during its 4 hours of battery use.

Gravity

Strong vibrations and Intense thrusting that can be controlled independently

Perfect for solo play and to use with your partner for a steamy threesome

Hands-free use thanks to its strong suction cup that lets you attach it to any smooth surface

Designed to bring the most intense orgasms

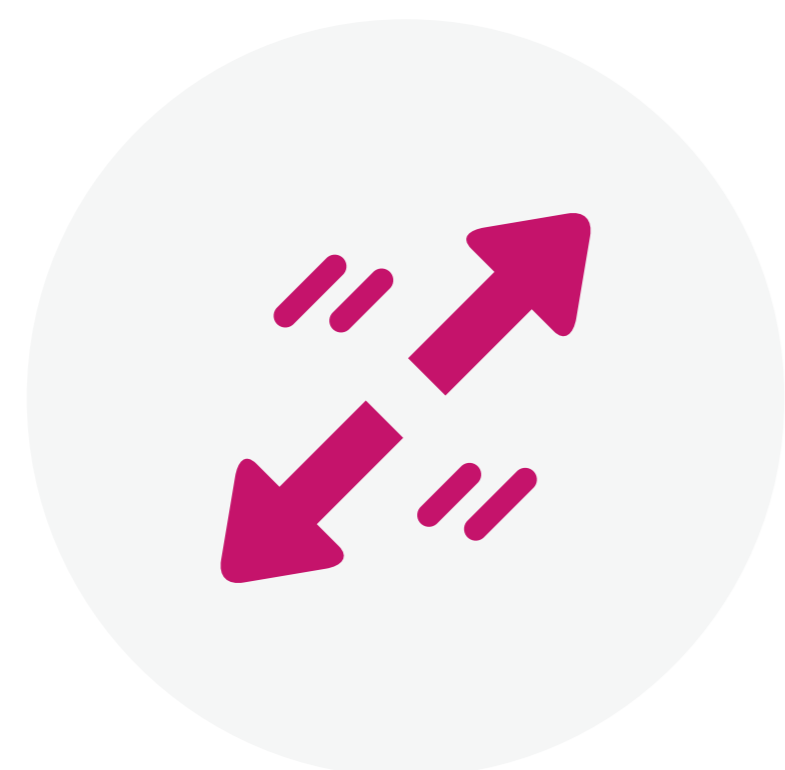

Silky-feeling silicone & unique color combined with neutral looks

Up to 4 hours of continuous use

LOVENSE
